M. I. A. STAKE CONFERENCE

Interesting Address by Elder Charles W. Penrose on "The Three Glories."

Tabernacle Concert -- Seventies Will Hold Street Meetings-Funeral of Mrs. M. L. Newman.

The conference of the Young Men and Young Ladies Mutual Improvement associations was held in the Ogden tabernacle yesterday. A meeting of the officers of the associations was held during the morning, when the re-ports were received and general instructions were given on improvement

The tabernacle was crowded long before the commencement of the after-noon meeting at 2 o'clock. The tabernoon meeting at 2 o clock. The taber-nacle choir furnished music for the service. The meeting was addressed by Sisters Minnie Snow and Nellie Taylor and Elders E. H. Anderson and B. S. Hinckley, all of Salt Lake City and members of the general board of the associations. Their remarks were the associations. Their remarks were highly instructive and related to muual improvement work.

An evening meeting was held, com-mencing at 7:20 p. m. Elder Charles W. Penrose, of Salt Lake City, was the speaker. He lectured on "The Three Glories," as divided by the word of God into the celestial, the terrestrial, and the telestial glories, as terrestrial, and the telestial glories, as typified respectively by the sun, moon and stars, and in each of which there are many degrees of glory. The speaker showed who would enter into each of these glories and how the highest could be attained, quoting from the Bible and the Doctrine and Covenants. He contrasted the beauty and liberality the doctrines revealed through Prophet Joseph Smith with the horrible religious notions prevalent at the opening of the nineteenth century, and cleared up many points that are sub-jects of inquiry in the Mutual Improveassociations.

Mrs. Bessie Dean Allison sang beau-tifully "Fear not, O Israel." The choir sang an anthem, and the conference ad-

Prof. Kent, who is one of the leading vocalists in the west, and has traveled all over the United States, singing, will render eight numbers on the program, which will be of itself an evening's entertainment. Mrs. Blaisdel, who is recognized as one of Ogden's most talented planists, will render two plano solos, and the tabernacle choir will sing three very fine selections, which they are now memorizing. The entire program is excellent and promises to be one of the finest musical programs ever

presented to an audience in Ogden.

The prices of admission will be very reasonable, and the cause is a very worthy one, and one that everybody is interested in, that of securing the best music, such as anthems, solo and choruses for the use of the tabernacle

STREET GOSPEL MEETINGS.

Castle Dale, Emery Co., May 18.— Considerable annoyance has been occa-sioned by the systematic pilfering of valuable letters sent by merchants of so locked the door, and telegraphed ahead to the police to meet the train, which they did and placed the five under arrest. No charge has been booked this county to a certain Salt Lake bank For two weeks past a quiet investiga-tion by the postoffice authorities and some of Emery county's merchants has is guilty of tampering with the malls, but so far no clue has been obtained. As far back as February, Nelson & Pettey of Ferron forwarded a letter through the mails to a national bank located at Salt Lake City, containing \$50 in currency and \$100 in checks. The letter never reached its destination. In German people, and reports the mission work in that land in a very prosperous April, Sam Singleton of the Ferron & Wolf Co-operative company sent to the same bank \$17 in currency and \$169 in checks, and this letter met with a fate similar to that of Nelson & Pettey's B. F. Luke of the Orangeville Cc-operative company, who instituted the investigation, sent three remittances to the same bank, all of which are reported to have failed to reach that institution. The total amount lost by Luke was \$65 in currency and \$331.21 in checks. In most of these cases payment on the checks was annulled and duplicate checks afterward obtained from the original makers, so that the loss was almost exclusively that of the currency sent in the letters.

Parowan, Iron Co., May 6.-The program outlined by the general boards of the Relief society and Y. L. M. I. A. was

quite successfully carried out at our peace meeting held last evening. This is the fourth successive season of drouth and the farmers declare this to be the most serious showing we have had, it having been unusual to irrigate the lucern until after this sea son, but the streams have been utilized to assist the grain crops, which has no been proven successful, and the lucery is already burning up, in places. Peaches and apricots are generally killed with fosts; present prospects are still good for apples, though the winds have been continuous and some or-chards have been injured thereby. The

general health of our people is good. FAIRVIEW.
